Boston acoustics

READY TO STAND THEIR GROUND. **INTRODUCING A 360 AND A 250.**

360
250

The A-Series – floorstand speakers A 360 and A 250 share their excellent engineering. Still, the A 360 naturally outruns its smaller sister in some ways. Check out the facts on pages 10/11 for details or simply ask your dealer to play them for you. Sometimes, listening says more than a thousand words.

READY TO STAND THEIR GROUND.
INTRODUCING A 360 AND A 250.

The A-Series flagship A 360 floorstanding loudspeaker accurately reproduces any source material under any listening condition. As the front speakers in an home theater, or by themselves in a full-range two-channel music system, A 360 loudspeakers have both the power and the subtlety to bring any form of home entertainment to life.

- Dual 6-1/2" (165mm) DCD woofers
- 3-1/2" (89mm) DCD midrange
- 1" (25mm) Kortec soft dome tweeter
- Elegant, scratch resistant high gloss black lacquer finish
- Magnetic grille minimizes acoustical interference for an improved soundstage
- Gold plated five-way binding posts

Available Colors
High-Gloss Black and Satin Cherry
